In Alone With Mr. Darcy, Reynolds even creates a story-within-a-story with her inclusion of Snowball, the kitten in the cottage. While Darcy and Elizabeth's interaction with Snowball is enough to warm your heart, it's even more amazing to find that this kitten is based on Abigail's real-life kitten, Snowdrop, who has become somewhat of an internet celebrity.

Elizabeth Bennet can't imagine anything worse than being stranded by a blizzard in a tiny cottage with proud and unpleasant Mr. Darcy. But being trapped there for days – and nights – with an injured and confused Mr. Darcy who keeps saying the oddest things about her, is even worse....

Alone with Mr. Darcy... Elizabeth Bennet can't imagine anything worse than being stranded by a blizzard in a tiny cottage with proud and unpleasant Mr. Darcy. But being trapped there for days - and nights - with an injured and confused Mr. Darcy who keeps saying the oddest things about her is even worse. At least he possesses the useful ability of lighting a fire to keep them from freezing to death. But when he puts his arms around her, she discovers the hearth isn't the only place he knows how to build a fire. And the little half-frozen kitten he finds in a woodpile isn't proving to be much of a chaperone. She doesn't really believe his promises to marry her if anyone finds out they spent two nights alone together, especially after learning he was betrayed by another woman in the past. When her worst fears are realized and her reputation is in tatters, she isn't surprised to discover Mr. Darcy has vanished into thin air, leaving her no choice but to find a husband as soon as possible before her whole family is ruined. Any husband will have to do, no matter how much she dislikes him. Even if she can't stop thinking of Mr. Darcy... Praise for Abigail Reynolds "If you are unfamiliar with these riveting and romantic variations, they are retellings of Pride and Prejudice that take our beloved hero and heroine down a slightly altered path. Abigail Reynolds, one of my favorite Austenesque authors, is a skilled-story teller, an ardent admirer of Jane Austen, and quite proficient at infusing a lot of emotion, tension, and passion into her stories!" Austenesque Reviews "If romantics can overlook the subversion, they should enjoy witnessing Elizabeth as an industrious and caring wife, administering to Pemberley's tenants, learning how to be an equestrian and growing to love that perplexing Darcy." Publishers Weekly

She couldn't imagine what it would be like, to be spirited off to some virtual stranger's house in a cold carriage and told that that was now her home, that it was where she now belonged. It was only women, Elizabeth Bennet thought with hot frustration, who were told that that who they were was defined by who they lived with. Why? Why was it that men were free to live as they pleased and none of it was contingent on taking a wife? They could easily live a fulfilled life with pleasures abounding whether they married or remained bachelors for the duration of their days. It was not so for women, and that was a bitter pill indeed for a spirited woman like Elizabeth.

A sexy Jane Austen re-imagining by author Abigail Reynolds What if... Instead of disappearing from Elizabeth Bennet's life after she refused his offer of marriage, Mr. Darcy had stayed and tried to change her mind? What if... Lizzy, as she gets to know Darcy, finds him undeniably attractive and her impulses win out over her sense of propriety? What if... Madly in love and mutually on fire, their passion anticipates their wedding? In To Conquer Mr. Darcy, instead of avoiding Elizabeth after his ill-fated marriage proposal, Mr. Darcy follows her back to Hertfordshire to prove to her he is a changed man and worthy of her love. And little by little, Elizabeth begins to find the man she thought she despised, irresistible... Celebrate the 80th birthday of Regency Romance with great books from Sourcebooks Casablanca! Praise for To Conquer Mr. Darcy: "Shows a different side of Darcy, a bold side unafraid of going after what he wants." -Hollywood Today "Sure to appeal to fans of lusty historical romance." -Library Journal "Abigail Reynolds sure knows how to steam up a page!" -A Readers Respite "If you always longed for Mr. Darcy to sweep Elizabeth off her feet, then this is your book!" -I Just Finished Reviews

Mr. Darcy and Elizabeth Bennet are engaged at last, and Mr. Darcy is preparing to take out a special licence to get married quickly. But, just when everything seems to be going just right, he encounters opposition from an unexpected quarter. Then, when his engagement is announced - to someone else - Elizabeth, understandably, begins to doubt his sincerity. Perhaps their love is doomed after all... Find out more in this third part of the Darcy Novels series, a Pride and Prejudice variation.

In Love with His Brother's Betrothed... As far as Fitzwilliam Darcy is concerned, the only good thing to come of Elizabeth Bennet's bitter refusal of his heart and his hand was his new resolve to prove himself a better man. He'd done it, too, by closing the painful distance between himself and his estranged younger brother, Drew. And now Drew is newly engaged to be married...to Elizabeth Bennet. Family duty forces Darcy to support the engagement, especially since even the smallest hint of disapproval could ruin the brothers' hard-won reconciliation. But how can he bear to watch his brother marry the woman he loves? To see her in Drew's arms, bearing Drew's children, and forever out of his reach? An Accidental Compromise Elizabeth has no choice but to accept an engagement to handsome Drew Darcy. He's amiable, educated, and respectable, and if it weren't for his last name, she wouldn't even mind the idea. But to marry the brother of the gentleman she'd so coldly rejected only months before? Especially now that she realizes her feelings for him are far from sisterly. How can she marry Drew while longing for his brother? But the cost of breaking her engagement would be ruination, and with it, the loss of any hope of a life with Darcy. Trapped by loyalty, love, and propriety, there is no way out. But old family secrets haunt the Darcy brothers. Could those secrets, when brought out in the open, change everything? This intensely emotional variation on Jane Austen's Pride & Prejudice will make you fall in love with Elizabeth and Darcy all over again.

"In a Regency England where magic and faeries are real...Fitzwilliam Darcy is a powerful magician who controls fire, water, and wind. What he cannot control is his growing feelings for Miss Elizabeth Bennet. But Elizabeth's sentiments towards Darcy are quite different. She detests his arrogance, and she fears he will expose her use of forbidden magic – forbidden to women, that is. He is the last man in the world she would choose to help her on a difficult and dangerous task. But when a magical war looms between the land of Faerie and their world, a Lord of Faerie demands that Darcy and Elizabeth serve together as his emissaries to make peace with the other mortals. That mission throws them into the middle of a chaotic power struggle between magicians whose power dwarfs their own, and everything Elizabeth has ever believed about her family, her friends, and her enemies will be called into question" –Back cover.

Elizabeth Bennet's wedding night will be perfect...won't it? Elizabeth Bennet has never been happier: she is married—finally!—to her true love, Mr. Darcy. But when Elizabeth's youngest sister Lydia reveals scandalous details about what her own husband, Mr. Wickham, expects in bed, Elizabeth begins to fear her wedding night. She decides she will postpone any further intimacies. After all, isn't lively conversation as satisfying as anything else between a husband and wife? Not according to her husband! Will Fitzwilliam Darcy be able to put aside his pride—and break through his innocent bride's prejudices—in order to woo her? It might take all his skill, and more than one night, but thankfully, Fitzwilliam Darcy has ways to tempt the love of his life. It turns out, he's not so very proper once behind closed doors... This sensual, intimate variation of Jane Austen's Pride and Prejudice is full of love, laughter, misunderstandings, steamy scenes...and true love! With its high heat level, it is best enjoyed by readers 18 years of age or older.

In this imaginative retelling of Pride and Prejudice, Amanda Grange now tells the classic story through the eyes of its compelling romantic hero, Fitzwilliam Darcy—in a series of revealing letters that casts a sparkling new reflection on the manners and morals of the landed gentry in 19th-century England... Here, for the first time, are the letters written by the exceedingly proud and stubborn Mr. Darcy, covering the life-changing events that defined him—from the death of his father, to his control of his Derbyshire estate of Pemberley to his conflicted courtship with the lively, intelligent, and delightfully willful Elizabeth Bennet. Try as he may, he cannot deny his attraction to this woman with fine eyes, a playful spirit, a mind of her own... and an embarrassing family that is frankly, and utterly, beneath him. But it is Elizabeth who controls both their destinies, and whose surprises will change Darcy's life yet again.

A thrilling story of murder and betrayal filled with the scandal, wit, and intrigue characteristic of Austen's classic novels Fitzwilliam Darcy is devastated. The joy of his recent wedding has been cut short by the news of the sudden death of his father's beloved cousin, Samuel Darcy. Elizabeth and Darcy travel to Dorset, a popular Regency resort area, to pay their respects to the well-traveled and eccentric Samuel. But this is no summer holiday. Danger bubbles beneath Dorset's peaceful surface as strange and foreboding events begin to occur. Several of Samuel's ancient treasures go missing, and then his body itself disappears. As Darcy and Elizabeth investigate this mystery and unravel its tangled ties to the haunting legends of Dark Dorset, the legendary couple's love is put to the test when sinister forces strike close to home. Some secrets should remain secrets, but Darcy will do all he can to find answers—even if it means meeting his own end in the damp depths of a newly dug grave. With malicious villains, dramatic revelations and heroic gestures, The Mysterious Death of Mr. Darcy will keep Austen fans turning the pages right up until its dramatic conclusion.
