Publisher's description: How many Christians can defend their faith? I Peter 3:15 exhorts us to be ready to give a defense to anyone who asks about the hope within us. As we prepare our children for adulthood, part of bringing them to maturity should be teaching them biblically sound apologetics. Every Thought Captive was written with that very purpose in mind! Dr. Pratt created the lessons in this book for high school-age students to specifically train them in presuppositional apologetics, a genuine biblical defense of the faith. This book can be used for individual study or with a group. Parents, you may want to study alongside your student, equipping yourself as well as your child!

With the rise of unbelief—from skeptics to adherents of other religions—knowing how to defend the Christian faith has never been

more important. This introduction to Reformed apologetics explores foundational principles and offers practical guidance for talking with unbelievers.

"We have just ended a century dominated by a multitude of failed prophecies from those who looked to be raptured out of a collapsing world at any moment. The dawning of a new millennium will hopefully cause the Church to pause and consider whether these discredited prophets should be hooted off the stage. Victory in Jesus: The Bright Hope of Postmillennialism offers a sober and faithful examination of Scripture while clearly demonstrating that Christians have every reason to expect the victory of Jesus and the triumph of the gospel as the Great Commission is fulfilled on earth. The first three chapters (edited from lectures delivered by Dr. Bahnsen), offer a

simple and easy to understand presentation of eschatology in general and especially postmillennial eschatology. These chapters are foundational and provide an excellent start for the person who wants a survey of the topic without too much technical or theological language. The last two chapters build on this foundation and layout a more advanced and in-depth explanation of the postmillennial position"--Back cover.

thing? There are many books that contain seemingly powerful arguments for biblical creation. But is there an ultimate proof of creation? There is an argument for creation that is powerful, conclusive, and has no true rebuttal. As such, it is an irrefutable argument - an "ultimate proof" of the Christian worldview biblical creation. Master the method outlined in the following chapters, and you will be able to defend Christianity against all opposition. Learn how to apply the ultimate proof in dialogues with evolutionists, how to spot logical fallacies, and biblical examples of defending the faith. Discover the nature of scientific evidence and its proper role in the origins debate. Details how to address theistic evolution, "day age" creationism, and other compromised positions of biblical creationism. An exceptional book for pastors, ministry leaders, seminary attendees, and students of religion and philosophy. This book is a complete guide

to defending the Christian faith, emphasizing the defense of the Genesis account of creation, built on techniques that have been developed over many years and presentations. They are not difficult to apply when you learn how to do it properly. Ready to move beyond the circular arguments? It is time to get to the real heart of the issue and rationally resolve the origins debate. It is time to discover The Ultimate Proof of Creation.

The controversial Bible scholar and author of *The Evolution of Adam* recounts his transformative spiritual journey in which he discovered a new, more honest way to love and appreciate God's Word. Trained as an evangelical Bible scholar, Peter Enns loved the Scriptures and shared his devotion, teaching at Westminster Theological Seminary. But the further he studied the Bible, the more he found himself

confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community. Rejecting the increasingly complicated intellectual games used by conservative Christians to “protect” the Bible, Enns was conflicted. Is this what God really requires? How could God’s plan for divine inspiration mean ignoring what is really written in the Bible? These questions eventually cost Enns his job—but they also opened a new spiritual path for him to follow. *The Bible Tells Me So* chronicles Enns’s spiritual odyssey, how he came to see beyond restrictive doctrine and learned to embrace God’s Word as it is actually written. As he explores questions progressive evangelical readers of Scripture commonly face yet fear voicing, Enns reveals that they are the very questions that God wants us to consider—the essence of our spiritual study.
