A companion volume to "one of the most original works of recent American Cinema"* Donnie Darko was the surprise cult hit of 2001. Appearing nationwide on critic's year-end top-ten lists, the quirky independent film's effortless blending of science fiction, horror, adolescent angst, and social satire defied description while simultaneously providing "an unexpectedly poignant catharsis for Sept. 11 blues" (Jan Stuart, *Newsday*). Its Möbius strip-like narrative about Donnie, a troubled teenager who can see into the future, continues to inspire fans to obsessive heights. The Donnie Darko Book includes the film's screenplay, an in-depth interview with writer-director Richard Kelly, facsimile pages from *The Philosophy of Time Travel* book that Donnie uses to go back in time, as well as

photos and drawings from the film and the artwork it inspired.

With its gothic tale of a troubled teen haunted by visions of a figure in a Halloween rabbit suit, Donnie Darko was among the first cult movie phenomena of the twenty-first century, making debut director Richard Kelly Hollywood hot property before he reached his thirtieth birthday. This study narrates the film's journey from box-office bemusement through word of mouth success to the recent director's cut of the film, and also discusses fans' reactions to the film's enigmatic conclusion, explaining how Donnie Darko gripped the imagination of Generation X teenagers across the world.

A groundbreaking piece of cinema? A cult

Download Ebook Donnie Darko

classic? An over-hyped teen movie? Opinions on Donnie Darko vary greatly. Audiences have reacted to the film in a variety of ways, from puzzled amusement to irritated bemusement. A film that for some, explores the deepest meanings of life and the universe; for others, it is no more than a posturing retro pop video, rich on style but lacking in substance, with a few filmic references that only the most pedantic of cinephiles or sci-fi aficionados would appreciate. In *Studying Donnie Darko*, Danny Powell demonstrates how this truly unique film can be used to challenge the preconceptions of students, offering them something different yet accessible enough to utilise their existing knowledge. *Studying Donnie Darko* is explicitly designed to be used at different levels with Film and Media Studies students Section A will be especially useful to younger students of Film and

Media, incorporating as it does material on all the Key Concepts. It is worksheet based and designed to involve students in an active interpretation of the film. Section B is specifically designed for more able students looking to examine the text in greater detail, with particular attention to Genre, Narrative, Ideologies, Representation, Intertextuality and Industry debates.

This is a very special book for Donnie Darko fans. This richly symbolic film finally gets a book that attempts to encompass all the aspects of its meaning. The aim of this book is to seek and find the clues that director Richard Kelly places in the film for the viewer to better understand a plot that is never explicit, just insinuated. For those still seeking to understand one aspect or another of the plot, this book may be the clue that is

Download Ebook Donnie Darko

missing. The content of the film will be used as an object of illustrative study for the analysis of non-verbal data, which is very useful in the daily life of anyone who interacts socially. The theory will be based on the works of academics who are focused on the interaction between the sender and the receiver, such as Mikhail Bakhtin, and the establishment of writing, such as Marlene Teixeira, as well as authors aimed at non-verbal language, such as Regina Rossetti. The conclusion will point out elements that will help building the meaning to the extent as it reconstructs the information sent by the sender, who in this case is the director of the film.
