A debutante with a scandalous past is whisked away from London only to create new headlines on the Continent. After being expelled from a young ladies' academy, it seems Miss Arabella Jardine will never find a well-connected husband. Not that she minds. A bluestocking at heart, she'd rather bury her nose in a medical text than wed. When Arabella is forced to accompany her family on a Grand Tour in Switzerland, she unexpectedly encounters the irresistible rakehell-in-exile, Gabriel, the Earl of Langdale. Arabella soon realizes the only thing worse than getting married to a charismatic but unrepentant rake would be to fall in love with him. Dubbed the Errant Earl by the ton, Gabriel Holmes-Fitzgerald is no stranger to scandal. However, when Gabriel is caught in flagrante with the utterly delectable Arabella Jardine, he's obliged to offer for her hand. He'll endeavor to do the right thing even though he's not a prize catch. He'll certainly never let Arabella get close enough to discover the demons of his dark past. Indeed, there is one particular demon out to destroy Gabriel by exposing a long-buried family secret. Soon Gabriel and Arabella find they are not just battling overwhelming desire, but in a fight to save their future together.

Shy, bookish Sophie Brightwell is expected to make an advantageous match to improve her family's fortunes but her plans go horribly awry when she and her three friends are expelled from an academy for conduct unbecoming. Now her only chance at finding a husband lies with the Rakehells - the bad boys of society who may be willing to overlook a young lady's besmirched reputation. But how does one catch a rake?
