John Wells introduces the opera with a high-spirited account of the action-packed career of the author, in many respects the prototype of Figaro himself. Basil Deane explores the score: he shows that Mozart's characters are illuminated here not so much in soliloquies but in their reactions to each other.

Read PDF Hong Kong Paggio A Sorpresa Nel Porto Dei Profumi Ediz Illustrata

Composer Stephen Oliver discusses how the comedy exists not just in the words but, essentially, in the music. The full Italian text is given, with a note on the order of scenes in Act Three and the alternative passages Mozart wrote for the 1789 revival. The classic translation of E.J. Dent is an excellent way to get to know the twists and turns of the plot and the stylish wit of da Ponte's innuendos. Contents: A Society Marriage, John Wells; A Musical Commentary, Basil Deane; Music and Comedy in 'The Marriage of Figaro, Stephen Oliver; Beaumarchais's Characters; Le nozze di Figaro: Libretto by Lorenzo da Ponte; The Marriage of Figaro: English version by Edward J. Dent

This is the first book on the acquisition of Spanish that provides a state-of-the-art comprehensive overview of Spanish morphosyntactic development in monolingual and bilingual situations. Its content is organized around key grammatical themes that form the empirical base of research in generative grammar: nominal and verbal inflectional morphology, subject and object pronouns, complex structures involving movement (topicalizations, questions, relative clauses), and aspects of verb meaning that have consequences for syntax. The book argues that Universal Grammar constrains all instances of language acquisition and that there is a fundamental continuity between monolingual, bilingual, child and

Read PDF Hong Kong Paggio A Sorpresa Nel Porto Dei Profumi Ediz Illustrata

adult early grammatical systems. While stressing their similarities with respect to linguistic representations and processes, the book also considers important differences between these three acquisition situations with respect to the outcome of acquisition. It is also shown that many linguistic properties of Spanish are acquired earlier than in English and other languages. This book is a must read for those interested in the acquisition of Spanish from different theoretical perspectives as well as those working on the acquisition of other languages in different contexts.

Passionate, witty, and brilliant, *Opera as Drama* has been lauded as one of the most controversial, thought-

Read PDF Hong Kong Paggio A Sorpresa Nel Porto Dei Profumi Ediz Illustrata

provoking, and entertaining works of operatic criticism ever written. First published in 1956 and revised in 1988, *Opera as Drama* continues to be indispensable reading for all students and lovers of opera.

Almost as old as the idea of the library is the urge to destroy it. Author Lucien X. Polastron traces the history of this destruction, examining the causes for these disasters, the treasures that have been lost, and where the surviving books, if any, have ended up. *Books on Fire* received the 2004 Société des Gens de Lettres Prize for Nonfiction/History in Paris.

This is one of the most significant military books of

the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's
