former love, fellow High Witch Nathan King, after four millennia, and Immortality, in which Immortal High Witch Puabi is rescued by grieving millionaire Matthew Fairchild. Original.

The magical Tide has turned and the Immortal Lords once again have their full power. The Immortal Lord Cayal welcomes this power as a means to an end--his end, preferably. Cayal has wanted to cease his existence for longer than human history and it looks like he might finally get his wish. Rumors swirl that the Chaos Crystal, the mysterious prism that brought the Immortals to the world, has been found. Cayal is determined to seize the gem. Among those who search for this long-lost object is Cayal's former lover, the very mortal Lady Arkady. She's been captured by Jaxyn, a Tide Lord who is decidedly against Cayal and is seeking the Crystal for his own nefarious schemes. Arkady escapes, and is off on her desperate search...for if the gem falls into the hands of the Immortals, what will become of humanity? The stakes are high, with mortal and immortal fighting to grasp this ultimate prize. Whoever holds the Crystal can decide the fate of the world. Welcome to Nvengaria, a land where magic happens, shape-shifters are real, and fairy tales come true. England 1819 Wallflower Penelope Trask believes nothing will ever happen in her village of Little Marching, Oxfordshire. Handsome princes only sweep in and carry off innocent maidens in the fairy tales she collects, never in real life. Prince Damien of Nvengaria is tired of living inside a fairy tale. His entire life has been ruled by prophecy, magic, and avoiding being assassinated by his mad father and the head of the Council of Dukes. When his father dies, he inherits a kingdom divided, his opposition led by Grand Duke Alexander, who will do anything to keep the monster's son from ruling Nvengaria. To make good his claim to the throne, Damien must fulfill a prophecy that reunites the lines of the original two princes of Nvengaria, best friends who'd carved a kingdom out of wild lands near the Transylvanian mountains. Damien's task—to bring back the Princess of Nvengaria, her line lost centuries ago. The price of disappointing the people, Alexander promises, will be Damien's execution. Damien tracks down the long-lost princess to the village of Little Marching in England, where nothing remotely interesting ever happens. He will have to convince the lovely Penelope that he is no charlatan, and that Damien's life and his kingdom depends on her facing danger with him. Along the way, the prophecy says, they will fall in love. And the prophecy is never wrong ... Note that the Nvengaria series is a paranormal historical, the books loosely based on well-known fairy tales: Penelope and Prince Charming—Cinderella The Mad, Bad Duke—Beauty and the Beast Highlander Ever After—Snow White and the Seven ... Highlanders The Longest Night—Little Red Riding Hood (and the Big, Bad Wolf)
