Irvin D. Yalom. 4.20 - Rating details - 9,033 ratings - 711 reviews. When sixteen-year-old Alfred Rosenberg is called into his headmaster's office for anti-Semitic remarks he made during a school speech, he is forced, as punishment, to memorize passages about Spinoza from the autobiography of the German poet Goethe.

**The Spinoza Problem by Irvin D. Yalom - Goodreads**

A haunting portrait of Arthur Rosenberg, one of Nazism's chief architects, and his obsession with one of history's most influential Jewish thinkers. In *The Spinoza Problem*, Irvin Yalom spins fact and fiction into an unforgettable psycho-philosophical drama. Yalom tells the story of the seventeenth-century thinker Baruch Spinoza, whose philosophy led to his own excommunication from the Jewish community, alongside that of the rise and fall of the Nazi ideologue Alfred Rosenberg, who two . . .

**The Spinoza Problem by Irvin D. Yalom | NOOK Book (eBook** . . .

Yalom postulates "the Spinoza problem" was Rosenberg's efforts to understand how a great Geman like Goethe could be influenced by a mere Jew, or how a Jew could write such an insightful book. In truth, Yalom's explanation is speculation - the Spinoza problem could have been something else entirely.

*The Spinoza Problem* Quotes Showing 1-30 of 92 "If Epicurus were speaking to you at this moment, he would urge you to simplify life. Here's how he might put it if he were standing here today : " Lads,your needs are few, they are easily attained, and any necessary suffering can be easily tolerated.

**The Spinoza Problem Quotes by Irvin D. Yalom**

Lou Marinoff, Professor of Philosophy, City College of New York, and President, American Philosophical Practitioners Association " The Spinoza Problem is a ringing endorsement for an authentically philosophical life, wherein a toweringly heroic philosopher is persecuted in two eras: one governed by medieval superstition; the other, by totalitarian racism.

**The Spinoza Problem by Irvin D. Yalom (2013, Trade** . . .

Thus, *The Spinoza Problem*. "Never able to cleanse his mind of the image of the great Goethe genuflecting before the Jew Spinoza," Rosenberg migrates to Munich, writes for a propaganda sheet and befriends Hitler.

**THE SPINOZA PROBLEM by Irvin D. Yalom | Kirkus Reviews**

"The Spinoza problem" becomes more than a mere academic endeavor. It becomes a search for understanding of place in a world torn by rigid identity distinctions and unyielding out-group warfare. Rosenberg is cast as a subtly immature figure, seeking his place in the party he helped to form.

A haunting portrait of Arthur Rosenberg, one of Nazism's chief architects, and his obsession with one of history's most influential Jewish thinkers In *The Spinoza Problem*, Irvin Yalom spins fact and fiction into an unforgettable psycho-philosophical drama. Yalom tells the story of the seventeenth-century thinker Baruch Spinoza, whose philosophy led to his own excommunication from the Jewish community, alongside that of the rise and fall of the Nazi ideologue Alfred Rosenberg, who two hundred years later during World War II ordered his task force to plunder Spinoza's ancient library in an effort to deal with the Nazis' "Spinoza Problem." Seamlessly alternating between Golden Age Amsterdam and Nazi Germany, Yalom investigates the inner lives of these two enigmatic men in a tale of influence and anxiety, the origins of good and evil, and the philosophy of freedom and the tyranny of terror.

In 1909, sixteen-year-old Alfred Rosenberg is called into his headmaster's office for making anti-Semitic remarks. He is punished by having to memorise passages from the autobiography of Goethe - and is stunned to discover that his idol was a great admirer of the seventeenth-century philosopher Baruch Spinoza. Spinoza himself was no stranger to punishment: accused of heresy, he was excommunicated from the Jewish community and banished from the only world he had ever known. Nevertheless, he became one of the most influential philosophers of his age. Long after graduation, Rosenberg is possessed by the 'Spinoza problem': how could Goethe, the great German poet, have been inspired by a member of a race that Rosenberg considers inferior to his own? A race that, as he developed from anti-Semitic schoolboy to Nazi propagandist, he would become determined to destroy? In his brilliant re-creation of the inner worlds of two men separated by 300 years - one dedicated to fashioning a moral philosophy, the other obsessed with the superiority of the Aryan race - internationally bestselling novelist Irvin D. Yalom explores the thin psychological line that separates genius and evil, and the lives of two men who changed the course of history.

A haunting portrait of Arthur Rosenberg, one of Nazism's chief architects, and his obsession with one of history's most influential Jewish thinkers In *The Spinoza Problem*, Irvin Yalom spins fact and fiction into an unforgettable psycho-philosophical drama. Yalom tells the story of the seventeenth-century thinker Baruch Spinoza, whose philosophy led to his own excommunication from the Jewish community, alongside that of the rise and fall of the Nazi ideologue Alfred Rosenberg, who two hundred years later during World War II ordered his task force to plunder Spinoza's ancient library in an effort to deal with the Nazis' "Spinoza Problem." Seamlessly alternating between Golden Age Amsterdam and Nazi Germany, Yalom investigates the inner lives of these two enigmatic men in a tale of influence and anxiety, the origins of good and evil, and the philosophy of freedom and the tyranny of terror.

From the internationally bestselling author of *Love's Executioner* and *When Nietzsche Wept*, comes a novel of group therapy with a cast of memorably wounded characters struggling to heal pain and change lives Suddenly confronted with his own mortality after a routine checkup, eminent psychotherapist Julius Hertzfeld is forced to reexamine his life and work -- and seeks out Philip Slate, a sex addict whom he failed to help some twenty years earlier. Yet Philip claims to be cured -- miraculously transformed by the pessimistic teachings of German philosopher Arthur Schopenhauer -- and is, himself, a philosophical counselor in training. Philip's dour, misanthropic stance compels Julius to invite Philip to join his intensive therapy group in exchange for tutoring on Schopenhauer. But with mere months left, life may be far too short to help Philip or to compete with him for the hearts and minds of the group members. And then again, it might be just long enough.

In nineteenth-century Vienna, a drama of love, fate, and will is played out amid the intellectual ferment that defined the era. Josef Breuer, one of the founding fathers of psychoanalysis, is at the height of his career. Friedrich Nietzsche, Europe's greatest philosopher, is on the brink of suicidal despair, unable to find a cure for the headaches and other ailments that plague him. When he agrees to treat Nietzsche with his experimental "talking cure," Breuer never expects that he too will find solace in their sessions. Only through facing his own inner demons can the gifted healer begin to help his patient. In *When Nietzsche Wept*, Irvin Yalom blends fact and fiction, atmosphere and suspense, to unfold an unforgettable story about the redemptive power of friendship.

Bestselling writer and psychotherapist Irvin D. Yalom puts himself on the couch in a lapidary memoir Irvin D. Yalom has made a career of investigating the lives of others. In this profound memoir, he turns his writing and his therapeutic eye on himself. He opens his story with a nightmare: He is twelve, and is riding his bike past the home of an acne-scarred girl. Like every morning, he calls out, hoping to befriend her, "Hello Measles!" But in his dream, the girl's father makes Yalom understand that his daily greeting had hurt her. For Yalom, this was the birth of empathy; he would not forget the lesson. As *Becoming Myself* unfolds, we see the birth of the insightful thinker whose books have been a beacon to so many. This is not simply a man's life story, Yalom's reflections on his life and development are an invitation for us to reflect on the origins of our own selves and the meanings of our lives.

A year-long journey by the renowned psychiatrist and his writer wife after her terminal diagnosis, as they reflect on how to love and live without regret. Internationally acclaimed psychiatrist and author Irvin Yalom devoted his career to counseling those suffering from anxiety and grief. But never had he faced the need to counsel himself until his wife, esteemed feminist author Marilyn Yalom, was diagnosed with cancer. In *A Matter of Death and Life*, Marilyn and Irv share how they look on profound new struggles: Marilyn to die a good death, Irv to live on without her. In alternating accounts of their last months together and Irv's first months alone, they offer us a rare window into facing mortality and coping with the loss of one's beloved. The Yaloms had numerous blessings—a loving family, a Palo Alto home under a magnificent valley oak, a large circle of friends, avid readers around the world, and a long, fulfilling marriage—but they faced death as we all do. With the wisdom of those who have thought deeply, and the familiar warmth of teenage sweethearts who've grown up together, they investigate universal questions of intimacy, love, and grief. Informed by two lifetimes of experience, *A Matter of Death and Life* is an openhearted offering to anyone seeking support, solace, and a meaningful life.

From the bestselling author of *Love's Executioner* and *When Nietzsche Wept* comes a provocative exploration of the unusual relationships three therapists form with their patients. Seymour is a therapist of the old school who blurs the boundary of sexual propriety with one of his clients. Marshal, who is haunted by his own obsessive-compulsive behaviors, is troubled by the role money plays in his dealings with his patients. Finally, there is Ernest Lash. Driven by his sincere desire to help and his faith in psychoanalysis, he invents a radically new approach to therapy -- a totally open and honest relationship with a patient that threatens to have devastating results. Exposing the many lies that are told on and off the psychoanalyst's couch, *Lying on the Couch* gives readers a tantalizing, almost illicit, glimpse at what their therapists might really be thinking during their sessions. Fascinating, engrossing and relentlessly intelligent, it ultimately moves readers with a denouement of surprising humanity and redemptive faith.

Part of the Jewish Encounter series In 1656, Amsterdam's Jewish community excommunicated Baruch Spinoza, and, at the age of twenty-three, he became the most famous heretic in Judaism. He was already germinating a secularist challenge to religion that would be as radical as it was original. He went on to produce one of the most ambitious systems in the history of Western philosophy, so ahead of its time that scientists today, from string theorists to neurobiologists, count themselves among Spinoza's progeny. In *Betraying Spinoza*, Rebecca Goldstein sets out to rediscover the flesh-and-blood man often hidden beneath the veneer of rigorous rationality, and to crack the mystery of the breach between the philosopher and his Jewish past. Goldstein argues that the trauma of the Inquisition's persecution of its forced Jewish converts plays itself out in Spinoza's philosophy. The excommunicated Spinoza, no less than his excommunicators, was responding to Europe's first experiment with racial anti-Semitism. Here is a Spinoza both hauntingly emblematic and deeply human, both heretic and hero—a surprisingly contemporary figure ripe for our own uncertain age. From the Hardcover edition.

Written in Irv Yalom's inimitable story-telling style, *Staring at the Sun* is a profoundly encouraging approach to the universal issue of mortality. In this magisterial opus, capping a lifetime of work and personal experience, Dr. Yalom helps us recognize that the fear of death is at the heart of much of our anxiety. Such recognition is often catalyzed by an "awakening experience"—a dream, or loss (the death of a loved one, divorce, loss of a job or home), illness, trauma, or aging. Once we confront our own mortality, Dr. Yalom writes, we are inspired to rearrange our priorities, communicate more deeply with those we love, appreciate more keenly the beauty of life, and increase our willingness to take the risks necessary for personal fulfillment.
